News Release

Murata Power Solutions appoints GMA, Inc. as new sales representative for Canada

Murata Power Solutions has appointed GMA as its sales representative in Canada. GMA will sell Murata Power Solutions' complete range of DC/DC Converters, AC/DC Power Supplies, Magnetics, Data Acquisition devices and Panel Meters.

Established in 1982, GMA will act as Murata Power Solutions' extended Sales and Customer Support arm for the region and work closely with our Distribution Channel partners to drive new & incremental business across the assigned territory.

Commenting on the agreement, John Parent, North America Sales Director, Murata Power Solutions, said: “GMA have a strong background and proven track record in successfully selling Power Conversion Equipment. GMA has represented Murata, our Parent Company for nearly 20 years, which provides us the opportunity to leverage the value of the Murata brand name to our customers in Canada. We are delighted to welcome GMA to our sales network and anticipate a very rewarding future for both companies.”
